

God Willing

Dropkick Murphys

Ricky and Gar
Well, they took it too far
They didn't make it
They didn't make it Chrissy and Stace
Though they made no mistakes
They didn't make it
They didn't make it Whether living with hope
or at the end of the rope
It isn't written in the stone
When the futures unknown
And though some do atone
Through no fault of their own
They fall through the cracks
And get left by the wayside
[chorus:]

God willing, It's the last time I'll say goodbye
God willing, I'll see you on the other side
It's the last time I'll put my arms around you
The last time I'll look into your eyes
I've come here to put my arms around you
And say one final goodbye
Yeah, I'll see you on the otherside Chuck and Fly
They were really good guys
They didn't make it
They didn't make it Laura so sweet and
Kenny right in his sleep
They didn't make it
They didn't make it
So as you walk out the door
Take care, and always be sure
That the ones in your life
Know that you love them tonight
Fate has one guarantee
And we all must agree
That the best laid plans
May all change by tomorrow [chorus]
