Motorcycle Emptiness

MSP

Culture sucks down words
Itemize loathing and feed yourself smiles
Organize your safe tribal war
Hurt maim kill and enslave the ghettoEach day living out a lie
Life sold cheaply forever, ever, everUnder neon loneliness motorcycle emptiness
Under neon loneliness motorcycle emptinessLife lies a slow suicide
Orthodox dreams and symbolic myths
From feudal serf to spender
This wonderful world of purchase powerJust like lungs sucking on air
Survivals natural as sorrow, sorrow, sorrowUnder neon loneliness motorcycle emptiness
Under neon loneliness motorcycle emptinessAll we want from you are the kicks you've given us
All we want from you are the kicks you've given us
All we want from you are the kicks you've given us
All we want from you are the kicks you've given usUnder neon loneliness motorcycle emptiness
Under neon loneliness motorcycle emptinessDrive away and it's the same
Everywhere death row, everyone's a victim
Your joys are counterfeit
This happiness corrupt political shitLiving life like a comatose
Ego loaded and swallow, swallow, swallowUnder neon loneliness motorcycle emptiness
Under neon loneliness motorcycle emptiness
Under neon loneliness motorcycle emptiness
Under neon loneliness everlasting nothingness
