Kalimbah!

Captain Everything!

Distance more than miles to you
Tell me what more can I do
Than sit around
And think of all
The things that I forgot
To say to you?Just take a look
At what you've done
I feel like I'm the only one
I know
It's hard
To take a look at
What went wrong
Sit alone and think about
The time I wasted
Figuring it
Out again
I know
It's you
That this is because ofSeems like I do what
You tell me to do
And I'm going to go
The same way again
Sometimes I can
Try to fit in
Well I know that it's true
But I owe it to myself not toA million things I'd like to know
A billion more that I could say to
Show you how
I feel
Right now
Just tell me that you'll
Never let me go
Now I'm here inside my room
But the only thing I'm dreaming of is
You again
It's all
The same
Thing this is because ofSeems like I do what
You tell me to do

And I'm going to go
The same way again
Sometimes I can
Try to fit in
Well I know that it's true
But I owe it to myself not toDistance more than miles to you
Tell me what more can I do
Than sit around
And think of all
The things that I forgot
To say to you?
