Sad Eyes

Mikky Ekko

Feelings, airplanes
A thousand miles above the ground

A cage, a cage
Has got you locked away
Locked away, locked away

With your sad eyes on
With your sad eyes on

Sunrise comforts
A shadow lost among the trees

It's alright speaking in tongues that is
That is what you said
Isn't it

With your sad eyes on
With your sad eyes on

With your sad eyes on
You see the world

Homeopathic
States of existence
Are all you've got left
Like the prayers you make
Once there's blood on your hands

With your sad eyes on
