

# Something Else

## Sex Pistols

Look at that, here she comes  
Here comes that girl again  
One of the cutest, since I don't know when  
But she don't notice me when I pass  
She goes with all the guys from outta my class  
But that can't stop me from thinkin' to myself  
"She's sure fine lookin', man, she's something else"  
Look at that 'cross the street  
There's a car built just for me  
To own a car would be a luxury  
But right now, I can't afford the gas  
A brand new convertible is out of my class  
But that can't stop me from thinkin' to myself  
"That car's fine lookin', man, it's something else"  
Hey, look at that, just wait and see  
Worked hard and saved my dough  
I buy that car and then I roll up with Joe  
Get me that girl and we go ridin' around  
We look real sharp with the wide top down  
I keep on dreamin' and thinkin' to myself  
"When it all comes true, man, well, that's something else"  
Hey, look at that, watch out this  
Never thought I'd do this before  
But here I am a-knockin' on her door  
My car's out front and it's all mine  
It's a '41 job not a '59  
I got that girl and I'm thinkin' to myself  
"She's sure fine lookin', man, well, she's something else"
