

# Goat Perversion

## Impaled Nazarene

Sodomize thru the night - who has killed the fucking light  
What the fuck do you expect to see  
When Jesus lying naked in front of me  
chorus:  
Goat in pain - the satanic reign  
Who has killed the fucking light,  
Who has killed the fucking light, huh ?  
You are all doomed to misery  
So fuck some goatcorpses in praise of me  
repeat chorus
