

# I Do

## Uncle Kracker

You spend your lonely days lookin' for someone  
I just wanna be the one that makes your river run  
I know it ain't so fun bein' all alone  
And I know you wonder when you'll find yourself a home You ain't foolin' no one, baby  
See you don't believe in you But I do, yeah, I do  
Oh, I do, yeah, I do If you want some company, I don't mind a ride  
I don't want your money, baby, and I don't want your pride  
You might think I'm crazy, you just might be shy  
I think this is good for us but I could just be high We can make this happen, baby  
I believe that is true Yeah, I do, yes, I do  
Oh, I do, yes, I do You keep on lookin', baby, I hope it's all too sweet  
I hope it's fairy tales and everything you dream  
But just remember that we ain't all this kind  
When you get tired of lookin', baby, I ain't hard to find Your wastin' all your time out there  
'Cuz they don't care about you But I do, yeah, I do  
Oh, I do, yeah, I do  
Oh, I do, yeah, I do  
Oh, I do, yeah, I do
