## Queen Naija

Chorus:

It was like yesterday when we were homeless. Got you some now you treating me bogus. Talking bout you wanted something new. Like i wasn't god enough for you. Guess you done caught your self a case of amnesia. Maybe you should take a look in your rearview cause obviously you forgot all the times i held you when you cried.

And don't you remember even when you was in the wrong i sill stayed by your side. No i guess not , I guess not cause you let them thot's take my spot. Congratulations to you, what you want is what you got know. So you don't have to worry about me. Made it clear that your not happy YEAH. Go ahead and have your fun now. Just remember what goes around , come around. You don't gotta to worry about me. Made it clear that your not happy YEAH. Go ahead and have your fun now. What goes around it comes around aye, What goes around it comes around aye, Goes around it comes around YEAAH YEAAAH
