

# Last Night a DJ Saved My Life

## Milk Inc.

Last night a DJ saved my life  
Last night a DJ saved my life  
Yeah

'Cause I was sittin' there bored to death  
And in just one breath he said  
You gotta get up  
You gotta get off  
You gotta get down girl

You know you drive me crazy baby  
You've got me turning to another man  
Called you on the phone  
No one's home  
Baby why'd you leave me all alone?  
And if it wasn't for the music I don't know what I'd do

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song

You know I hopped into my car  
Didn't get very far, I know  
'Cause I had you on my mind  
Why be so unkind?

You've got your women all around  
All around this town  
But I was trapped in love with you  
And I didn't know what to do

But when I turned on my radio  
Found out all I needed to know

Check it out

Hey listen up to your local DJ  
You better hear what he's got to say

There's not a problem that I can't fix  
'Cause I can do it in the mix  
And if your man gives you trouble, just move out on a double  
And you don't let it trouble your brain  
'Cause away goes trouble down the drain  
I said away goes trouble down the drain

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song

Last night a DJ saved my life  
Last night a DJ saved my life from a broken heart  
Last night a DJ saved my life  
Last night a DJ saved my life with a song
