

Green Machine

Kyuss

I've got a war inside my head
It's got to set your soul free
I've got a veil inside my head
A wheel of understanding I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for green
I am here to gun it down, I gotta do I see pretty flowers at my feet
Cool breeze, clean air, hospitality
Pretty please, pretty please, pretty please
Get the hell away from me I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for green
I am here to gun it down, I gotta do I've got a war inside my head
It's got to set your soul free
I've got a wheel inside my head
A wheel of understanding I'm a loadin', loadin' my war machine
I'm contributing to the system, the break down scheme
I'm a shuttin' down, I'm shuttin' down your greed for green baby
I am here to gun it down, I gotta do
