

# Daddy Says

## Kamchatka

Guinea-pig, guinea-pig,  
how are you today?  
Guinea-pig, guinea-pig,  
what did the doctors say?  
Guinea-pig, guinea-pig,  
was it too early to tell?  
Guinea-pig, guinea-pig,  
you sure do not look well. But daddy bullshit  
says it's just the way it's been done.

Daddy says it's just the way it's been done, yes. Guinea-pig, guinea-pig,  
you've been carefully selected.

Guinea-pig, guinea-pig.  
Intravenously infected.  
Guinea-pig, guinea-pig,  
what is now inside you,  
guinea-pig, guinea-pig,

you'll help us find the cure to. 'Cause daddy says it's just the way it's been done.

Daddy says it's just the way it's been done, yes. Guinea-pig, guinea-pig,  
will not see tomorrow.

Guinea-pig, guinea-pig,  
fill me up with sorrow.  
Guinea-pig, guinea-pig,  
end up in a dumpster.  
Guinea-pig, guinea-pig,

making me a monster. And daddy says it's just the way it's been done.

Daddy says it's just the way it's been done, yes.
