Weir

David Campbell

Oh friend of mine
We will never lose the time
That we shared all these years
All these years
All these yearsWill you...
Will you make it till the end
Through all the twists and bends
Will you fulfill your dreams
It's not as easy as it seemsOh friend of mine
We will never lose the time
That we covered in our
In out tears
In out tearsWill you...
Will you make it to the end
Through all the twists and bends
Will you fulfill your dreams
It's not as easy as it seemsFloatin' in the weir
And you think you'll never sink
So you forget all your fears
All your fears
All your fearsWill you...
Will you make it till the end
Through all the twists and bends
Will you fulfill your dreams
It's not as easy as it seems
