Red Light

Selena Gomez

Baby tell me that you want me, want me
Baby tell me that you need me
Cause you know I'm onto you
Keep it on the low I'll be waiting for you
Baby cmon let me show you
Show you what I can do
I can make it all come true cause I'm onto you
Keep it on the low I'll be waiting for you
(uuuh) were dancing in the red light I can do it all night
(uuuuh) it's your addiction we don't need a reason
Closer keep em moving closer closer
Hiding in the shadows of the corner

Oh I'm falling over you
Oh I hope you know I'll be waiting for you
(uuuh) were dancing in the red light I can do it all night
(uuuh) it's your addiction we don't need a reason
[repeat]Baby you don't have to be alone
We can make it all alright
Collide tonight
(uuuh) were dancing in the red light I can do it all night
(uuuuh) it's your addiction we don't need a reason
[repeat 4x]
