

# Month of May

## Larry Hosford

Me and the Reshie are catchin' the fisheys  
Down by the Santa Cruz Bay

The sun it was shining  
The Reshie reclining  
It was in the month of May

Together we fish for the big one  
The rest of the world far away  
Well I'll fish with the Resh'  
Any time he wish  
Even in the month of May

Me and the Victor  
We drink all the liquor  
Down in the Santa Cruz Bay  
The boys we are fighting  
The ladies inviting  
to stay in our world for a day

Together we go through the bar fly  
Like Grant go through Richmond he say

Well I'll liquor with Vic  
Any time he pic  
Even in the month of May

Me and the "O" have a musical show  
Down in the Santa Cruz Bay

"O" he is saying  
Lo, heres one for playing  
And both of us take it away

Together we smoke on the bong pipe  
While Reshie I roll in dismay

Well I smoke it with "O" when he's saying so  
Even in the month of May

Me and the Bruce get unusually loose  
Down in the Santa Cruz Bay

Now Bruce he's so pretty  
It's more so the pity  
for fellows who wish he was gay

Together we drink to tomorrow  
And likewise we live for today

Well I'm loose with the Bruce  
and time he choose  
Even in the month of May

Yes I'm loose with the Bruce  
Any time he choose  
Even in the month of May
