

# Ain't That Just Like A Woman

**B.B. King**

There was Adam, happy as a man could be  
Till Eve got him messin' with that old apple tree  
Ain't that just like a woman? Yeah just like a woman  
Ain't that just like a woman, they'll do it every time  
Lot took his wife down to the corner for a malted  
She wouldn't mind her business, boy, did she get salted  
Ain't that just like a woman? Ain't that just like a woman?  
Hey just like a woman, they'll do it every time  
Samson thought Delilah was on the square  
Till one night she clipped him all his hair  
It's just like a woman, ain't that just like a woman?  
Yeah just like a woman, man they'll do it every time  
From our history books we all learned  
Nero fiddled while Rome was burning  
That's just like a woman? Hey just like a woman  
That's just like a woman they'll do it every time  
Marie Antoinette met some hungry cats at the gate  
They was crying for bread, she said, let them eat cake  
Ain't that just like a woman? Ain't that just like a woman?  
Yeah that's just like a woman, they'll do it every time, sure will  
You can buy a woman clothes, give her money  
on the side  
No matter what you do she ain't never satisfied  
It's just like a woman, yeah that's just like a woman?  
Hey hey that's just like a woman, man they'll do it every time
