

Deep Elm Blues

Jim Greer

When you go down to Deep Elm, keep your money in your socks

By them day Elm women, roll on you on the rocks

Oh sweet mama, got the morning baby bluesIf you go down in Deep Elm, yeah, keep your money in the hair

And that Deep Elm women will lay you on the fire

Oh sweet mama, got the morning baby bluesIf you go down in Deep Elm, keep your money in your pants

'Cause them Deep Elm women, sure know how to dance

Oh, sweet baby, got the morning baby bluesIf you go down Deep Elm, put your money in your shoes

Yeah, them Deep Elm women, know how to sing the blues

Oh, sweet baby, got the morning baby blues

Oh, sweet baby, got the morning baby blues
