Vanity

Lewisland

All thatâ€™s lost, can be found
All that rust leaves me bound
Iâ€™m in touch with the sound
Just when I move around
Itâ€™s insanity, sanity, oh
Pushing me to gravity, gravity, oh
Iâ€™m losing my humanity, manity, oh
All of this is vanity, vanity ,oh
One last drink then Iâ€™ll go
Broken dreams take me home
No good deeds, die alone
One more drink, make it slow
Itâ€™s insanity, sanity, oh
Pushing me to gravity, gravity, oh
Iâ€™m losing my humanity, manity, oh
All of this is vanity, vanity ,oh
Cuz Itâ€™s reality, ality, oh
Standing right in front of me, front of me, oh
Iâ€™m losing my humanity, manity, oh
All of this is vanity, vanity ,oh
