

It's Written All Over Your Face (Remastered)

The Boswell Sisters & Jimmy Greer Orchestra

It's written all over your face
That someone has taken my place
Everything about you
Gives me the sign
Soon I'll be without you
You're no longer mine
It's written all over your face
The truth is so hard to erase
I can understand
What you don't care to say
'Cause the touch of your hand
Says the flame died away
My arms don't inspire
Your lips have no fire
Your kisses are cold as ice
Your eyes seem to say
"Let's call it a day"
To me it's farewell to paradise
A stranger can see at a glance
That this is the end of romance
There's no need pretending
I see that it's the ending
It's written all over your face
It's written all over your face
Someone has gone and taken my place
Now every little thing about you
Gives me the sign
That soon I'll be without you
You're no longer mine
Oh, it's written all over your face
I know the truth is hard to erase
And that is why I understand
What you don't care to say
'Cause the touch of your hand
Says the flame died away
My arms don't inspire
Your lips have no fire
Your kisses are cold as ice
Your eyes seem to say
"Let's call it a day"
To me it's farewell to paradise
A stranger can see at a glance
That this is the end of romance
There's no need pretending

I see that it's the ending
It's written all over your face
