Dizzy Mizz Lizzy

(Track 4 on "Rotator")Love
Hidden in my mind
Let it out to shine
I'm calling out your name
And running in the rainI love to turn you on
The dream is always strong
And love
Floating in the air
And I can see you thereAll hope was lost
On a night in December
Only a mad man to blame
So many tears
On that night in December
But on cold foreign fields
There's a flame
So we always remember your nameI haven't read the news
Saddened and confused
And dream
In my life i swear
I saw you standing thereAll hope was lost
On a night in December
Only a mad man to blame
So many tears
On that night in December
But on cold foreign fields
There's a flame
So we always remember your nameLyrics by Tim Christensen and Nic Wastell
