

Sunday Morning

The Velvet Underground & Nico

Sunday morning
Brings the dawn in
It's just a restless feeling
By my sideEarly dawning
Sunday morning
It's just the wasted years
So close behindWatch out the world's behind you
There's always someone around you
Who will call
It's nothing at allSunday morning
And I'm falling
I've got a feeling
I don't want to knowEarly dawning
Sunday morning
It's all the streets you've crossed
Not so long agoWatch out the world's behind you
There's always someone around you
Who will call
It's nothing at allWatch out the world's behind you
There's always someone around you
Who will call
It's nothing at allSunday morning
Sunday morning
Sunday morning
Sunday morning
