

Li'l Kim's Bitch

Brad Nailer

G C D capo+3

1.

Probably never play on the Grand Ol Opry
Never have a video on CMT
Not too many people down in Nashville
Wanna have booger to do with me
Donâ€™t give a damn about being famous
Donâ€™t measure success by being rich
But I will know when Iâ€™ve hit the big time
The day I become Lilâ€™ Kimâ€™s bitch

Chorus

Lilâ€™ Kim, Lilâ€™ Kim
Youâ€™re such a sweet hot nasty baby
Lilâ€™ Kim, Lilâ€™ Kim, Lilâ€™ Kim
Lilâ€™ Kim, Lilâ€™ Kim
You drive my white ass crazy
Please, oh please, oh please
Let me be your bitch

2.

Iâ€™m sure you have all the boyfriends
You need at the present time
And Iâ€™m sure that they all have
Much bigger junk than mine
Just wanna drive you crazy
With my tongue and lips
Make you arch your little back
Buck your little hips

Bridge

Rub your little nubbin for you
While youâ€™re drivin
Make you run your car into a ditch
Sweet baby I just wanna drive you crazy
You can be my sugar momma
I could be your little bitch
