

Thunder & Lightning

July Child

I feel so alone,
When the night comes and my days are gone. Keep me in your eyes,
I know you won't let me out your sight,

I will take it everywhere I go. Thunder and lightning,

Pour from my heart, it's frightening me,
Thunder and lightning, (thunder and lightning)
Pour from my heart, it's frightening me. Thunder and lightning,
Thunder and lightning,
Thunder and thunder and thunder and..
