

Cult of Personality (Re-Recorded / Remastered)

Living Colour

Look in my eyes, what do you see?
The cult of personality
I know your anger, I know your dreams
I've been everything you want to be
I'm the cult of personality
Like Mussolini and Kennedy
I'm the cult of personality
The cult of personality
The cult of personality Neon lights, a Nobel Prize
Then a mirror speaks, the reflection lies
You don't have to follow me
Only you can set me free
I sell the things you need to be
I'm the smiling face on your T.V.
I'm the cult of personality
I exploit you still you love me I tell you one and one makes three
I'm the cult of personality
Like Joseph Stalin and Gandhi
I'm the cult of personality
The cult of personality
The cult of personality Neon lights a Nobel Prize
A leader speaks, that leader dies
You don't have to follow me
Only you can set you free
