Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh ohI used to think my life was only up to me
But livin' life this way can be so lonely
Everyday with what it takes to stay alive
What we need is each other to surviveDa doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh ohSo reach out and take the hand
Head up above the sun
Reach out
Stop givin' love the third degree
It's time we found love for the 21st centuryDa doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh ohI used to think my life was only up to me
But livin' life this way can be so lonely
Everyday with what it takes to stay alive
What we need is each other to surviveSo reach out and take the hand
Head up above the sun
Reach out
Stop givin' love the third degree
It's time we found love for the 21st centuryOh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
Oh oh oh oh oh oh
Da doo da doo da doo doo doo
