

# Clocks

## Rockabye Baby!

The lights go out and I can't be saved  
Tides that I tried to swim against  
Have brought me down upon my knees  
Oh I beg, I beg and plead, singing Come out of things unsaid  
Shoot an apple off my head and a  
Trouble that can't be named  
A tiger's waiting to be tamed, singing You are  
You are Confusion never stops  
Closing walls and ticking clocks  
Gonna come back and take you home  
I could not stop that you now know, singing Come out upon my seas  
Cursed missed opportunities  
Am I a part of the cure?  
Or am I part of the disease? Singing You are, you are, you are  
You are, you are, you are And nothing else compares  
Oh nothing else compares  
And nothing else compares You are  
You are Home, home where I wanted to go  
Home, home where I wanted to go  
Home, home where I wanted to go  
Home, home where I wanted to go
