I Can't Stand It No More

Peter Frampton

When you wake up and she's next to you
You can't stand what she's putting you through
Can't take no more so I'm goin' awayI can't stand it no more
I can't stand it no more
I can't stand it no more
I can't stand it no moreEvery day, I feel a different man
Caught adrift and there's no sight of land
Hey baby, do I come back to youNo, I can't stand it no more
I can't stand it no more
I can't stand it no more
I can't stand it no moreEvery woman made a fool out of me
My mama told me when she set me free
She said, "Son, you just have got to find
Find a girl who will treat you like I do"I can't stand it no more, I'm goin' away
I can't stand it no more, don't ask me to stay
I can't stand it no more, 'cause there's nothin' left to say
I can't stand it no moreI can't stand it no more, I'm goin' away
I can't stand it no more, don't ask me to stay
I can't stand it no more, there's nothing left to say
I can't stand it no moreI can't stand it no more, I'm goin' away
I can't stand it no more, don't ask me to stay
I can't stand it no more, there's nothing left to say
I can't stand it no moreI can't stand it no more, I'm goin' away
I can't stand it no more, there's nothing left to say
