My Brambles

Alela Diane

Sun is dancing, my darling
Arms been holding me all morning
The sea is so far from home, my darlingIf we'd only feet it is here that we'd roam
Oh, if we'd just two feet it is here that we'd roam
And your arms would be keeping me all day'Cause your love calms my brambles
And your hands bring me sweet lavender
Oh, your love clams my brambles
And your hands bring me sweet lavenderOh, oh, oh, ohThe glow will dance into the mountains
And darkness falls upon the canyon
And when the heat is gone, my darling
Please come gather mePlease come gather me oh, please come gather me oh
Please come gather me, my darling
Please come gather me oh, please come gather me oh
Please come gather me, my darling'Cause your love calms my brambles
And your hands bring me sweet lavender
Oh, your love clams my brambles
And your hands bring me sweet lavenderOh, oh, oh, oh
