

Killer

The Ready Set

Stuck in a limbo (Here we go)
Me and my sins go (Toe-to-toe oh oh oh)
I played a vicious part (Whoa)
I broke an unfair share of hearts
I'm about to blow
So if you come around then you should know I'll tear you up in two
Go ahead walk it off if you know what's best for you.
Oh-oh-oh-oh-oh oh oh I'm no good for you (No)
This heart ain't built for two so
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'm no good for you (No)
Get in love then I'll cut you loose so,
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'mma I'mma I'mma love killer
I'mma I'mma I'mma love killer
I'mma I'mma I'mma killer Lower than real low (Here we go)
Take your heart like a repo (No-no-no-oh-oh)
Dug yourself in to (Whoa)
A pretty mess that I made for you
I'm about to show
For the time you're gonna lose
By the time I go-oh-oh I'll tear you up in two
Go ahead walk it off if you know what's best for you.
Oh-oh-oh-oh-oh oh oh I'm no good for you (No)
This heart ain't built for two so
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'm no good for you (No)
Get in love and I'll get you loose so,
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'mma I'mma I'mma love killer
I'mma I'mma I'mma love killer
I'mma I'mma I'mma killer Smooth like emotions
Bottled up explosions
Intoxicating you
Learning of the truth

I'm your sentencing
Exiting through your skin
Intoxicating you
Ninety seven proof I'm no good for you (No)
This heart ain't built for two so
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'm no good for you (No)
Get in love then I'll cut you loose so,
Runaway, runaway
'Cause I'm no, I'm no, I'm no good for you.
I'mma I'mma I'mma love killer
I'mma I'mma I'mma love killer
I'mma I'mma I'mma killer
