IÂ´m Coming For You

Triggerfinger

An adult portion, an adult dose
This ain't for the faint hearted, it's for the pro's
I'm gonna steer my love ship and wade through the deep
I'm gonna sneak my way through I'm comingI'm coming for you
I'm coming for you
I'm coming for you
sneak my way throughI sling my swagger, like a double bladed dagger
To cut, cut through yout defense
I'm gonna steer my love ship
And wade through the deep
I'm coming when you sleep. I'm coming...I'm coming for you
I'm coming for you
I'm coming for you
sneak my way throughPut me down on the race track with the horses
Put me down on the race track on all fours
No matter how big or how strong the force is
I'm gonna sneak my way through
I'm coming...I'm coming for you
sneak my way through
I'm coming for you
sneak my way through
I'm coming for you
sneak my way through
