Problem (The Monster Remix)

Becky G (ft. Will.I.Am)

I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm one of a kind, got everybody in love
And I don't have to try, I just do what I does
Don't have to tell me, I already know
They all want me
Yo, I run this, I smash it
Like my bass real hard, boom-bastic
Speed race baby, I'm a lot faster
Cause trouble, never listen to my master
New Benz all black, from Malaysia
Can't drive, but my mama don't care yup
To the top, I'm a take it to the ceiling
I'm on the moon but I feel the sun beaming
I'm so dope like ooh la la
So so fly like a helicopter
Sup to the hood and the homies on the block
Doin' it big, ya you know, what's up
Some come and try to say I'm a problem
So crazy, gotta put 'em in an asylum
Some come and try to say I'm a problem
Ha, solve it
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm a monster, I'm a m-monster
I'm one of a kind, got everybody in love
And I don't have to try, I just do what I does

Don't have to tell me, I already know

They all want me
[Will.I.Am]Yo, yo, yo
I ran this, I rock this
I can see the future, no optics
More androids, robotics
Beam up hot chicks like I'm Spock
They be chillin' in my cockpit, my spaceship got exotic
One be trippin', come n' whip, hypnotic, they be talking 'bout ooh la la
Let's go far, way past them stars
We don't give a -, let's go to Mars
Ay, yo
I'm just tryna get it poppin'
I wanna be the first dude to love a martian
She love a man, cut the swag that I'm droppin'
I kill the game til it's chillin' in the coffin
When I start, there ain't no stoppin'
Yo, yo
Yo, yo
Yo, yo
Yo, yo
(Don't be acting like)
Don't be actin' like
Like you didn't know
Like you didn't know
Like you didn't know
Like you didn't know
I'm one of a kind, got everybody in love
And I don't have to try, I just do what I does
Don't have to tell me, I already know
They all want me
I'm one of a kind, got everybody in love
And I don't have to try, I just do what I does
Don't have to tell me, I already know
They all want me
I'm a monster, I'm a m-monster
