

# On My Side

## Citizen Way

Fear is liar and the Devil's a thief  
He keeps creeping in whispering  
You're not man enough to make it  
You're not tough enough to take it

But I know the truth  
I don't have to be 'cuz  
My God is on my side  
Why should I fear  
Why should I hide  
On the mountain  
In the valley

His plans are good for me  
This one thing I know  
Whatever may come  
Wherever I go  
When I fall or When I fly  
My God is on my side  
On my side on my side  
I remember the shackles  
I remember the weight  
And the guilt in a heart  
That only knew how to break  
But like summer in December  
I found freedom in surrender  
Grace cut my chains  
How could I not believe  
No matter how the battle looks  
It won't end in defeat  
The King of all the universe  
Fights the war for me  
He's won the victory
