

Strand TylÅ¶sand

Basshunter

Jag vaknar upp, tidigt pÅ¥ morgon och tittar ut och ser solen skina,
I wake up early in the morning, look out and see the sunâ€™s shining
Jag tÃ¤nker att pÅ¥ denna dag ska man ut pÅ¥ stranden och glida.

I think this day men will go out at the seashore and glide (move smoothly- dance)

Jag Ã¶ppnar min dÃ¶rr, hÃ¶r morgon trafiken

I open my door, (can) hear morning traffic

 som kÃ¶r fÃ¶rbi pÅ¥ tylÅ¶vÃ¤gen.

 That drive along roads of Tylosand

Dom Ã¤r pÅ¥ vÃ¤g mot hav o bad o strand,

They are on their way towards swimming, sea and beach,

 blottade kroppar pÅ¥ tylÅ¶sand.

 Exposing bodies in Tylosand

Ska ni med pÅ¥ en fest en sÃ¥n fest som varar hela natten lÃ¥ng,

You will be too on the party such party which last all night long

 ska ni med till hav o sand,

 You will be together at the sea and beach

 till den enda strand som heter strand tylÅ¶sand

At that special beach which is called Beach of Tylosand

 woooOoo

 ska ni med.....SKA NI MEEEEED!

 You will be together, will be together!!!!

 Vi ska till stranden och glida!

We will go on beach and glide(move smoothly, dance, bounce)

KÃ¤nnslor som flÃ¶dar, blickar som fÃ¥r mitt hjÄ¤rtat Å¥ banka,

Feelings that are flowing, Iâ€™m watching as (they) are getting into my heart (and) knocking
 nu Ã¤r sommarn hÃ¤r.

Now it is summer here.

Heta nÄ¤tter med erotisk atmosfÄ¤r

Hot nights with erotic atmosphere

 Du o jag vi glider aldrig isÃ¤r,

 You and me, we never glide apart

 Vi kan somna i en dyna av sand o nÃ¤r vi

We can fall asleep on the cushion of sand and when we
 vaknar sÃ¥ ser vi solen skina.

 Wake up we see the sunâ€™s shining

 vi ligger kvar en stund Å¥ kysser varann

 We are lying, a moment left for kissing

Å¥ sen jag viskar vi ska till stranden och glida.
And then I whisper â€˜lets go on the beach and glideâ€™TM

Ska ni med pÃ¥ en fest en sÃ¶n fest som varar hela natten lÃ¶ng,
You will be too on the party, such party that lasts all night long
ska ni med till hav o sand,
You will be among sea and beach
till den enda strand som heter strand tylÅ¶sand
At that special beach which is called Beach of Tylosand
woooOoo
