

Wake Up, Open The Door And Escape To The Sea

Blaqk Audio

Please catch me now, I'm lying
You taught me how, how it can feel like love
Just catch your breath we'll dive in and our descent
Will somehow feel like life goes onMy, my, you're oh so sly
Let's leave unsaid what's left unspokenPlease hold me now, I'm freezing
God tell me how we ever got this coldBut oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's brokenWe'll censor the ending for me, for youBut oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's brokenAnd oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken
