

# Gold-tipped Boots, Black Jacket And Tie

## Jethro Tull

I'm battered and bruised  
I got lines I can't use  
My head won't deliver  
Well, I'm sold down the river But I'm turnin' again  
Yes an' I'm turnin' again  
Well, I'm turnin' again  
And I'm turnin' again  
Wearin' gold-tipped boots  
Black jacket and tie  
Black jacket and tie Well, I've been second to none  
This horse was ready to run  
Now I'm has-been and used  
Disarmed and de-fused But I'm turnin' again  
And I'm turnin' again  
Yes an' I'm turnin' again  
I'm turnin' again  
Wearin' gold-tipped boots  
Black jacket and tie  
Black jacket and tie  
Black jacket and tie  
Black jacket and tie I'm egg over-easy  
And I'm washing-up squeezy  
Appliance for sale  
Fat wind in my sail When I'm turnin' again  
Yes an' I'm turnin' again  
Well, I'm turnin' again  
Yes an' I'm turnin' again  
Wearin' gold-tipped boots  
Black jacket and tie  
Black jacket and tie Black jacket and tie  
Black jacket and tie  
Black jacket and tie  
Well, I'm turnin' again
