

# Caught Up In You

Victoria Justice

I never knew there'd come a day  
When I'd be sayin' to you  
Don't let this good love slip away  
Now that we know that it's true Don't, don't you know the kind of man I am  
No, said I'd never fall in love again  
But it's real and the feeling comes shinin' through I'm so caught up in you, little girl  
And I never did suspect a thing  
So caught up in you, little girl  
That I never wanna get myself free  
And baby it's true, you're the one  
Who caught me, baby, you taught me  
How good it could be It took so long to change my mind  
I thought that love was a game  
I played around enough to find  
No two are ever the same You made me realize the love I'd missed  
So hot, love I couldn't quite resist  
When it's right, the light just comes shinin' through I'm so caught up in you, little girl  
You're the one whose got me down on my knees  
So caught up in you, little girl  
That I never wanna get myself free  
And baby it's true, you're the one  
Who caught me, baby, you taught me  
How good it could be Fill your days and your nights  
No need to ever ask me twice, oh no  
Whenever you want me And if ever, comes a day  
When you should turn and walk away, oh no  
I can't live without you I'm so caught up in you  
Yeah, yeah, yeah And if ever, comes a day  
When you should turn and walk away, oh no  
I can't live without you I'm so caught up in you, little girl  
You're the one that's got me down on my knees  
So caught up in you, little girl  
That I never wanna get myself free  
And baby it's true, you're the one  
Who caught me, baby, you taught me  
How good it could be Little girl, you're the one that's got me down on my knees  
So caught up in you, little girl  
That I never wanna get myself free  
And baby it's true, you're the one

Who's caught me and taught me  
You got me so caught up in you
