

# How Do I Let Go

Dennis Ferrer

I will heed the call, when Iâ€™m ready Iâ€™ll give my all  
Cuz reality is a dream to me when you play that song  
If there is such a place (a place)  
Let me go there Iâ€™m gonna erase (erase)  
Negativity raining down on meâ€¦(leave me stressfully?)

So i gotta know, ohh, ohh, ohh how do i let go?

How do i let go  
Cuz the thought of losing me  
Keeps me dancing to be free  
Ohh, ohh, ohh how do i let go  
How do I let go  
When you got me losing my mind  
Iâ€™m not ready  
Itâ€™s not my time

Ever since you came such a feeling rushed my way  
Itâ€™s so real to me how you set me free when you play my song

I give thanks to you  
Cuz you save me  
And thatâ€™s hard to do  
Now reality, not so far from me  
Thatâ€™s how it should be  
Iâ€™m so glad to knowâ€¦  
Ohh, ohh, ohh how do I let goâ€¦  
How do I let go  
Cuz the thought of losing me keeps me dancing to be free  
(got to be free)  
Ohh, ohh, ohh how do i let go  
How do I let go  
When you got me losing my mind  
Iâ€™m not ready, itâ€™s not my time.  
(itâ€™s not my time)  
Ohh, ohh, ohh, how do I let go  
How do i let go  
Cuz the thought of losing me keeps me dancing to be free  
Ohh, ohh, ohh how do I let go, how do I let goâ€¦

When you got me losing my mind

Iâ€™m not ready itâ€™s not my time  
Iâ€™m not ready, no, no, no, no, no, no, noâ€¦  
How do i let goâ€¦how do i let go, how do i let go?
