

Limousine (Live at FNX Radio)

Brand New

Hey, it's your ride
Get your petals out and lay them in the aisle
Pretend you're a garden girl and it's your day to wed We found your man
He's drinking up, he's all-American
And he'll drive
He's volunteered with grace to end your life We'll tidy up
It's sad to hope, leave your shell to us
You explode
You firefly, you tiny boat With all feather on
The world tilts back and pours and pours and so
You satellite
You tidal wave, you're a big surprise And I've one more night
To be your mother The signal interrupts a baby's frequency's
Not strong enough remains
My hands are tied, we will miss you
But in time you'll get settled and we will ride So green, yeah, you were right about me
But can I get myself out from underneath
This guilt that'll crush me and in the quiet
I saw our sad messiah, he was bored and tired of my laments Said, "I died for you one time, but never again"
Never again, never again, never again, never again
Never again, never again, never again, never again Well, I love you so much but do me a favor, baby, don't reply
No, 'cause I can dish it out but I can't take it
Well, I love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it One will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it
Two will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it Three will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it
Four will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it Five will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it
Six will love you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it Seven loves you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it
Seven loves you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it Seven loves you so much but do me a favor, baby, don't reply
'Cause I can dish it out but I can't take it
Seven loves you so much but do me a favor, baby, don't reply

'Cause I can dish it out but I can't take it
