

Believe in Me

Yo Gen

LYRICS “ BELIEVE IN ME

WRITTEN BY YO GEN

CHORUS :

When the weight of the world comes crashing on my shoulders ,
I keep pushing on cos I know Iâ€™m getting closer ,
And I just believe in me and this is my dream ,
So take me or leave me, love me or hate me , You ainâ€™t never gonna change me

VERSE #1

Here comes the same old story with a little bit of twist , A kid gone wild , forgotten the meaning of bliss
So what if my mom went off damn early and a dad whoâ€™s always been a hillybilly
So he goes out gets laid gets me a new mummy , The new mummy already got two kids, Katy and Billy
So I was the odd one out and I get shown the door , blinded, but with a vision to explore
So what if I was an adult when you were just a kid , while you were tasting sweets I was facing ship
When your daddy use to give you pocket money, I was saving every bit of my hard earned penny
I grew up before you even had the first pubic, If you mess with me your endingâ€™s would be tragic
So donâ€™t ever try to get in my way , cos Iâ€™ve decided Iâ€™m making you pay

(Repeat Chorus)

VERSE #2

See life comes in circle, it comes to haunt, Things you did creates a lasting bond
Iâ€™m a self made man with a self made dream, and hell yeah Iâ€™m a do it , Iâ€™m gonna scream
My lungs out till you get the picture, of what Iâ€™m about to do, till it gets clearer
So here it goes a message to all you young peeps, keep working on your dream until your heartbeat skips
Brick by brick, tricks up your sleeves, take the leap, make it hip, kill the kip, get the blue chip
Problems , what problems, everybody has them, Donâ€™t be a queer , câ€™mon , go face them
So hey all of you trying to get to the top, Having a dream of opening up that candy shop
Make way , here comes the owner of the throne,
The one who doesnâ€™t need to practice , he was born

(Repeat Chorus)

VERSE # 3

So it all comes down to this verse, Getting to the top is what I thirst
Secondâ€™s not an option , always first , Iâ€™m a leave you behind like you some candy burst
It ainâ€™t about the paper, its about my grit , If I have it in me to be a hit
Cos lifeâ€™s already serve me with so much ship , That any big problem to me is just a little bit
I donâ€™t give a ship , Iâ€™m a make it , Now youâ€™re laughing at me, youâ€™re gonna regret it
So the struggles are over , I see the shining light , Like my mom used to say my futureâ€™s gonna be bright
See ma , where am I standing now , If you were here , youâ€™d be like holy cow
Youâ€™re all welcome to be part of this plan , Deviyo aur sajjano my name is Yo Gen

(Repeat Chorus)

BRIDGE :

See , life is a rollercoaster ,Sometimes it goes up , sometimes it all comes crushing down
But you gotta do only one thing, Keep that frown upside down
Cos you know what , There's always someone who's looking towards you
Looking for you to get to the top
Always Believe
