Forever and a Day (2002 Remaster)

Michael Learns to Rock

When the night has come
And the day is done
I'm always thinking of you
You are in the air
You are everywhere
In every thing I doIf I could keep this moment in time
If I could make you forever mine
Baby I'm lost in your love
From heaven above
You came to bring me up[Chorus]
With you I feel I could stay
In love forever and a dayWhen I walk alone
Through an empty home
I just can't stop thinking of you
Do you you feel the pain
Could it be the same
Are you missing me tooI see your face when I close my eyes
I see a glimpse of your own paradise
You came from heaven above
I'm lost in your loveFree as the wind
You give me wings to fly
My girl I feel I could stay
In love forever and a dayI feel that I could stay
In love forever and a day
