Nothing But Love

Seabound

Shadows race across the blind
and the ghostly dancers spin
to the sound of broken dreamsBlack smoke
Cold water
Evacuate in timeWild swirls
Escapist
Evacuate your mindAll but
forgotten
The prospects of delight
Sweet is the page
in your book of trust
The honey of your lustShadows race across the blind
and the ghostly dancers spin
to the sound of broken dreams
(and) I feel nothing but loveTake each other by the hand
and dance along the street
to the echo of the bells
(but) I feel nothing but loveFull moon
still heaven
Evacuate in timeWild swirls
black water
Evacuate your mind
All but
forgotten
The beauty of delightSweet is the page
in your book of fire
The bliss of your desire
