

Stadium Music

DAY26

[Willie]

Stage set, lights on
Now play that intro, let me check my microphone
It's bangin', so strong
You wave your hands in the air as you sing along

That's how my love will make you feel, feel
Put your body front in center; for real, for real
So let it stay right there, don't go no where
Ain't no other show, can't even compare no no

[Chorus]

Like stadium music,
Put your whole body to it
We got it all, flashing lights, big screens, fireworks, video screens
Ain't nobody on this stage but me
My love is like stadium music
Put your whole body to it
We got it all, flashing lights, big screens, fireworks, video screens
Ain't nobody on this stage but me
My love is like

[Robert]

Round 2
Second set
I'ma Pro so I ain't lost my breath, yeah
I save the best part for your favorite song
And when we get there I'ma do it all night long

[Mike]

That's how my love will make you feel, feel
Put your body front in center; for real, for real
So let it stay right there, don't go no where
Ain't no other show, can't even compare no no

[Chorus]

My love is like stadium music
Put your whole body to it
We got it all, flashing lights, big screens, fireworks, video screens

Ain't nobody on this stage but me
My love is like

[Qwanell & Robert]

Part of the show (I'ma need your full participation)
Baby I'ma take your body away (like we on vacation)
I'm on a mission, don't be afraid to lose control
No inhibitions, baby just let your body come with me (Come on, come on)
So let your body go (Come on, come on)
Better stay right there, don't go no where
There's no other show, can't even compare

My love is like stadium music (stadium music)
Put your whole body to it (put your whole body to it)
We got it all, flashing lights, big screens, fireworks, video screens
Ain't nobody on this stage but me

My love is like stadium music (oh oh yeah)
Put your whole body to it (oh oh, oh oh)
We got it all, flashing lights, big screens, fireworks, video screens
Ain't nobody on this stage but me

My love is like
