

# Belle & Sebastian

## Belle & Sebastian

I left my school, I left my job  
You saw me looking like a slob  
When I was young  
You were the only fun in town  
Everyone thought it was a shame  
For Belle and the boy Sebastian  
Belle was okay but, oh Sebastian  
Went too far again, crashed his car in the rain  
He wants to love and he wants to care  
But when the girls hear that they think he's so square  
Sebastian for once just leave your troubles home  
Sebastian for once just leave your troubles home  
He goes to school around the way  
The boys are queuing up to tell her she's a star  
Poor Sebastian is heading for a fall  
Everyone thought it was a shame  
For Belle and the boy Sebastian  
Everyone thought it was a shame  
Belle was okay but, oh Sebastian  
Went too far again, crashed his car in the rain  
Oh, Sebastian wrote his diary that  
He would never be young again  
But you will, fellow, you are ill  
You'd better take a weight off of your mind and listen  
To what other people say  
'Cause things are going wrong your own way  
Everyone thought it was a shame  
For Belle and the boy Sebastian  
Everyone thought it was a shame  
Belle was okay but, oh Sebastian  
Went too far again, crashed his car in the rain  
Oh, Sebastian wrote his diary that  
He would never be young again  
But you will, fellow, you are ill  
You'd better take a weight off of your mind and listen  
To what other people say  
'Cause things are going wrong your own way
