

# Caught By the Fuzz (Acoustic)

## Supergrass

Caught by the fuzz  
Well I was still on the bus  
In the back of the van with my head in my hands  
Just like a bad dream, I was only fifteenIf only my brother could be here now  
He'd get me out he'd sort me out alright  
I knew I should have stayed at home tonightLocked in the cell feelin' unwell  
I talked to a man he said it's better to tell  
Who sold you the blow  
Well it was no one I knowIf only you'd tell us wed let you go  
We'll make it hard for you my son  
So tell us what you know  
Well make you wish you'd stayed at home tonightHere comes my mum, well she  
She knows what I've done just tell them the truth  
You know where he's from you've blackened our name  
Well you, you should be ashamedIf only your father could see you now  
He'd breakdown and he'd throw you out for sure  
I never should have let you out tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight
