

What About Love

Austin Mahone

[Verse 1]

I-I'm feeling your thunder
The storms getting closer
This rain is like fire
And my-my worlds going under
And I cant remember
The reason that you cut off the line

[Bridge]

Youre moving on, you say
Here I stay
Ill take this pain
Yeah, I can, I can[Chorus]
What about love?
What about our promises?
What about love?
You take it all and leave me nothing
What about love?
What about us til we end?
What about love?

You cut my wings, now I am falling
What about love? (x2)[Verse 2]
Why you're colder than winter?
Youre switching the picture
You used to be perfect, yeah (yeah)
Once youre hot like the summer
Please help me remember

The reason that you said bye bye bye[Bridge]

Youre moving on, you say
Here I stay
Ill take this pain
Yeah, I can, I can[Chorus]
What about love?
What about our promises?
What about love?
You take it all and leave me nothing
What about love?
What about us til we end?
What about love?
You cut my wings, now I am falling

What about love? (x2)[Middle 8 - x4]

Uh uh uh uh uh uh uh uh

What about-what about love?[Bridge]

You're moving on, you say

Here I stay

Watching every night get colder

You're moving on, you say

Here I stay

I'll take this pain

Yeah, I can, I can[Chorus]

What about love?

What about our promises?

What about love?

You take it all and leave me nothing

What about love?

What about us til we end?

What about love?

You cut my wings, now I am falling

What about love? (x2)[End]

What about-what about

What about love?

What about-what about

What about love?
