

Crazy

Josh Logan

I remember when, I remember, I remember when I lost my mind

There was something so pleasant about that place.

Even your emotions had an echo

In so much spaceAnd when you're out there

Without care,

Yeah, I was out of touch

But it wasn't because I didn't know enough

I just knew too muchDoes that make me crazy?

Does that make me crazy?

Does that make me crazy?

Possibly [radio version]

probably [album version]And I hope that you are having the time of your life

But think twice, that's my only adviceCome on now, who do you, who do you, who do you, who do you think
you are,

Ha ha ha bless your soul

You really think you're in controlWell, I think you're crazy

I think you're crazy

I think you're crazy

Just like meMy heroes had the heart to lose their lives out on a limb

And all I remember is thinking, I want to be like them

Ever since I was little, ever since I was little it looked like fun

And it's no coincidence I've come

And I can die when I'm doneMaybe I'm crazy

Maybe you're crazy

Maybe we're crazy

ProbablyUh, uh
