

# Lazy Days

Ajello, Jyoti

Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Well, I was walkin' through MacArthur Park  
Lookin' for some sugar just to cure my heart  
And after dark I talk to the cabby  
'Cause he drives me home if I call him daddy  
And it's alright  
Just as long as I can get high  
Sit back and watch the sunset in the sky  
I don't know if you know what I mean  
But it's love in Los Angeles  
Hey, lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Walkin' through Malibu, not a thing to do  
Gotta find a fine young little girl to screw over  
I never meant to block your sunshine  
I never meant to block your sunshine  
I never meant to block your sun  
I don't know if you know what I mean  
But it's love in Los Angeles  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Now everybody clap your hands  
We're gonna do the dirty dance  
Now everybody stomp your feet

To the beat, c'mon  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Tryna get 'em for free  
We just wanna get our kicks for free  
Tryna get 'em for free  
I don't know if you know what I mean  
But it's love in Los Angeles  
It's love, it's love, it's love  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free  
Lazy days in Los Angeles  
If it ain't your parents, it's the damn police  
We just wanna get our kicks for free  
We just wanna get our kicks for free
