Come Back Home

Lauv

Doubt, doubt, doubt
It kills everything that you love
Now, now, now
I'm losing myself on the runAnd I flew to California
Thought I could leave
Every piece of you right here
Yeah I flew to California
Still wide awake
Oh the sun burned it on clearHow I still love you
I still love you
But sometimes you have to go
Trade your heart for bones
To know you need to come back home
Come back home
Paint-chipped skies
Nothing is ever as it seems
Behind these codeine eyes
Blind to the world in betweenAnd I flew to California
Thought I could leave
Every piece of you right here
Yeah I flew to California
Still wide awake
Oh the sun burned it on clearHow I still love you
I still love you
But sometimes you have to go
Trade your heart for bones
To know you need to come back home
Come back home
Getaway
I always thought I needed a getaway.
Getaway
I always thought I needed a getaway.
Getaway
I always thought I needed a getaway.
Getaway
I always thought I needed a getaway.But I still love you
I still love you
But sometimes you have to go
Trade your heart for bones

To know you need to come back home
Come back homeGetaway
I always thought I needed a getaway.
Getaway
I always thought I needed a getaway.
Getaway
I always thought I needed a getaway.
