

After the Love

Brian McKnight

Ooh
Lay lay lay lay lay
Ooh, oh, oh, oh, ahh, hey hey I thought that love would conquer all
That nothing could break my fall
The moment you left my side, oh baby
And now there's nothing left to say
Ever since you went away
I've been yearning for you deep inside I can't believe that it's over
In my arms is where you belong
When I think about the love we shared
How did we go wrong
And how can I go on? Can I go on? Sometimes you can't let go
Of the love you thought was yours, yours
Will I ever get over 'cause I've come to know
That it's so hard to carry on
After the love is gone, after the love is gone If I had only had a clue that I'd end up losing you
I might of held on to my heart, oh girl
Taking for granted, you'd be mine
Till the end of time, has torn my world apart And I can't believe that it's over
In my arms is where you belong
When I think about the love we shared
How did we go wrong
And how can I go on? Can I go on? Sometimes you can't let go
Of the love you thought was yours, mine and yours
Will I ever get over 'cause I've come to know
That it's so hard to carry on
After the love is gone, after the love is gone I can't believe that it's over
In my arms is where you belong
When I think, think about the love we shared
How did we go wrong
And how can I go on? Sometimes you can't let go
Of the love you thought was yours, mine and yours
Will I ever get over 'cause I've come to know
That it's so hard to carry on
After the love is gone, after the love is gone After the love is gone, I must go on
I gotta be strong after the love is gone
I can't believe it but she's gone
But I gotta be strong I gotta gotta gotta be, gotta gotta gotta be
Gotta gotta gotta be strong

Oh, after the love is gone
