Scuse Me

Lizzo

[Verse 1]
Look up in the mirror, oh my God, it's me
So much Prada on me, I'm a Pradagy
I'ma do my thing, no apologies
Coconut and rose in my skin regime[Pre-Chorus]
Mirror, mirror on the wall, tell me what you see
It's that, oh my God, it's lookin' heavenly (aah)
Poppin' Power Rangers, purple, yellow, pink
Throwin' ones, wonder what my mama think[Refrain]
Feelin' like a stripper when I'm lookin' in the mirror
I'll be slappin' on that ass gettin' thicker and thicker[Chorus]
I don't see nobody else
'Scuse me while I feel myself
'Scuse me while I feel myself
I don't see nobody else
'Scuse me while I feel myself
'Scuse me while I feel myself[Verse 2]
Look up in the mirror, oh, I'm having visions
Feelin' like a million, ooh, I can get it (aah)
Who [?] you (aah)
Who over there (aah)
Lookin' good (aah)
Feelin' yourself[Pre-Chorus]
Mirror, mirror on the wall, tell me what you see
It's that, oh my God, it's looking heavenly (aah)
Ooh, I'll mix the [?] with the Cherokee
Throwin' ones, wonder what my mama think[Refrain]
Feelin' like a stripper when I'm lookin' in the mirror
I'll be slappin' on that ass gettin' thicker and thicker[Chorus]
I don't see nobody else
'Scuse me while I feel myself
'Scuse me while I feel myself
I don't see nobody else
'Scuse me while I feel myself
'Scuse me while I feel myself[Bridge]
Feelin' like a stripper when I'm lookin' in the mirror
I'll be slappin' on that ass gettin' thicker and thicker
Ok, now spoonin' you
Now start it too

That spoon, spoon
That spoon, spoon
I don't need a crown to know that I'm a queen
I don't need a crown to know that I'm a queen[Chorus]
I don't see nobody else
'Scuse me while I feel myself
'Scuse me while I feel myself
I don't see nobody else
(I don't see nobody else)
'Scuse me while I feel myself
('Scuse me while I feel my-)
'Scuse me while I feel myself
