Dejavu

nickasaur!

So you're the one, I met in my dreams
In my mind cause my eyes can't see
How you are, and where you goin'
Need you to know, what I'm knowin'
I'm unaware of where to go
Subconscious thinkin', like I don't know
Just meet me somewhere
When you get there, you'll knowDe ja vu is one thing I don't do
Normally
But if you don't mind I'd care to meet you formally
You know, like in person
I really hope this doesn't worsen
I cross my heart and hope to die
And I'm swear to God that I'm kinda shySo you Gotta Take it slow
So you Gotta take it slow
So you Gotta take it slow
Gotta take it slowSo
You're the one, I met in my dreams
In my mind cause my eyes can't see
How you are, and where you goin'
Need you to know, what I'm knowin'
I'm unaware of where to go
Subconscious thinkin', Like I don't know
Just meet me somewhere
when you get there, you'll knowNow Was it down by the beach
Or
Down by the bay
When I first met you
And gave you a hey
Hello, how you doin'
Please let me in on what your pursuin'
Like where you wanna go I'll take
You there yeah wherever you want girl I don't care
Just Forget about the past cause the past is history
Cause ill take you to class on the subject of mysterySo you're the one, I met in my dreams
In my mind cause my eyes can't see
How you are, and where you goin'
Need you to know, what I'm knowin'
I'm unaware of where to go

Subconscious thinkin', like I don't know
Just meet me somewhere
when you get there, you'll knowSo you're the one, I met in my dreams
In my mind cause my eyes can't see
How you are, and where you goin'
Need you to know, what I'm knowin'
I'm unaware of where to go
Subconscious thinkin', like I don't know
Just meet me somewhere
when you get there, you'll know.
